

Mrs. McNickle's Classroom News A Peek at Our Week

Week 5: Sept 19 - 23

THIS WEEK'S LEARNING

In social studies this week, we will begin our U.S. Regions unit. In this unit, students will learn about the landforms and landmarks of each unit. We will study fables from each unit; for instance, "Sleepy Hollow" from the Northeast region.

Please make sure your child is completing his or her reading homework to the highest quality! On the students' homework, I would like for them to write the main idea as one summarizing sentence. I do not want students writing "This paragraph was about birds eating." I would like something like "Birds eat seeds, nuts, and bugs."

We will continue with Charlotte's Web this week.
