---

# The flag of Cuba

The flag of Cuba is a flag that represents Cuba and where it was founded.

---

The background of the slide is a close-up, slightly blurred image of the Cuban flag. It shows the red triangle on the left with a white star, and the horizontal stripes of blue, white, and blue. The flag is draped, creating soft folds and highlights.

## Description of the flag

The flag of Cuba was adopted on June 25, 1848. It has five blue and white stripes with a red triangle on the left (hoist) side. In the middle of the red triangle is a white star with five points.

---
